

## Temporary Change of Address

Greetings. In order to stay safe and to comply with the California Governor's request that residents discontinue all unnecessary trips, please address any correspondence, including payments to SafetyBeltSafe U.S.A., to my home.

I have asked the Post Office to forward any mail received at the SafetyBeltSafe U.S.A. P O Box to my home address. This will eliminate the need for me to go to the Post Office each day. Sending mail directly to me at my home address ensures a quicker response. If you need to send mail, please e-mail me at [stombrello@carseat.org](mailto:stombrello@carseat.org) for the address.

We continue to respond to calls and e-mails at our Safe Ride Helplines in English and Spanish and to fulfill requests. If there were to be delays, based on the current emergency rules, we will address the circumstances as necessary.

Thank you for your understanding. Please stay safe. We need you to help protect children and their families!

Best regards,
